Model 4500A  
Circular Chart Recorder  
Replacement Instruction

NEMA4X Door (Acrylic Window) (51452435-501)  
NEMA4X Door Door (Glass Window) (51452435-502)

Summary
This kit contains a new NEMA4 door assembly for the 4500A recorder.

Replacement Procedure
1. Remove hinge pins by tapping bottoms with punch and hammer.
2. Remove old door.
3. Install new door. Insert hinge pins. Secure pins by installing retaining rings; use needlenose pliers to insert ring onto groove of pin.
4. Clean outside of door window. Attach appropriate overlay to window.
5. Attach logo labels.
